

## Sugar Bowl Regatta – Weekend Two

Well, Lake Pontchartrain had a few tricks up her sleeve for the second weekend of the Allstate Sugar Bowl Open Regatta. This weekend was reserved for one-design racing and saw J-22s, Lightnings, Rhodes 19s, Victoria (RC) and Laser Radials. Also competing were Flying Scots sailing for the GYA Capdeville, Race of Champions Trophy. Saturday started off with foggy conditions which postponed the start of the racing for the majority of the fleet. There was plenty of wind, 8 kts, but it kept the fog on the race course instead of allowing it to head north. In spite of the late start, the race committee was able to get 3 races off.

Sunday began a little better, less fog, but less wind also. The wind gods seemed to be rolling the dice to determine what part of the race course would get the wind. Right, middle, right, right, middle, too bad for the people on the left. Ever been there before? Anyway, even with the finicky winds Sunday, the race committee was able to get the necessary races off to complete the regatta.
